

Are you interested in getting more experience with your YouTube/TikTok channel or growing your audience? We can help!

WANTED:

Looking for 5 youth content creators (ages 14+) to take part in an exciting project!

We are ***Strong Minds Strong Kids, Psychology Canada***, a national registered charity. We're creating an online game world called ***Thrivelandia*** where youth/teens can play games with the goal of learning tools that help them become mentally stronger and more resilient.

We are looking for 5 'hosts' to help build and promote this game world by creating original videos on  **YouTube** and  **TikTok** .

Together we will create dynamic and exciting content for our audience, and feature it our website. Imagine how your audience will grow!

To apply you must:

- ✓ Have experience in creating and posting original YouTube and TikTok videos
- ✓ Have completed performance or theater-related programs or experience in building your own social channels
- ✓ Be an awesome person, get along with others, be inclusive and mindful of all
